

and ample magnificence and enthusiasm. It is, though formal to a degree with figures and symbols, yet must never be invaded, he expressed the genius of democracy in his hearty manner, his affability, his willingness to please, and serve." It is his high regard for the realities, as much as it is because of the work he accomplished for the Company that the Canadian Pacific will miss Mr. Ogden. In the great shops of the Victoria Car and Machine Works has his monument. But perhaps his finest monument, next to the esteem of his fellow-members of the huge Canadian Pacific family, is the efficient auditing and accounting system which he created and expanded.

and this is always a certain portion of the community that comes under this category all the time—then you will not only vote in favor of this scheme, but you will also exert every endeavor to see this through to a successful termination. If you do not consider a Municipal Hospital worthy of your support, or if you are indifferent to the needs of the community, then you may be yours any day; then you will vote in favor of the Municipal Hospital Plan, which if there are sufficient numbers similarly disposed, the project will meet with defeat, and your community will be deprived of its greatest present day need.
